

# WHAT'S MISSING FROM THIS PICTURE? YOU!

While UHW-W president Sal Rosselli's been working to secure his position as vice president of SEIU, his members have been denied their right to run as a Delegate and attend the SEIU Convention in Puerto Rico.

**Call Sal Rosselli at (510) 251-1250 and tell him that  
you deserve more than a postcard from Puerto Rico,  
you deserve to have your voice heard!**
